The Key to the South

From exciting gaming action to live theater performances, Vicksburg has plenty to keep you entertained during your stay. Check out our Calendar of Events for our live music schedule which is busy almost seven days a week!

KEY TO ENTERTAINMENT: Settled on the banks of the beautiful mighty Mississippi River, Vicksburg casinos double down on all the amenities. You'll find giant casino buffets offering generous amounts of fine seafood, cafés serving American favorites and steakhouses offering fine cuts of perfectly-cooked beef. Hundreds of cozy casino hotel rooms with flat-screen TVs, Jacuzzis and plush linens. And of course star-studded entertainment! No matter the time of year – or even the time of day – you'll find Vicksburg casinos with jackpots ready to hit. (3 hours)

Vicksburg has a thriving theater community including two groups that regularly put on performances and cinema showings. The Vicksburg Theatre Guild's original production of "Gold in the Hills" has earned the Guinness Book of World Record's designation as the world's longest running show having been presented every year since 1936! The guild presents 3 additional productions throughout the year in addition to "Gold in the Hills." The Westside Theatre Foundation also regularly produces theatrical performances at the Historic Strand Theatre throughout the year. They also present cinema showings at The Strand monthly and host annual film festivals. (seasonally 2 hours minimum)

Vicksburg's native sons and daughters in the music industry have long been recognized for their contributions to jazz, blues, rock 'n roll and country music. Their musical legacy is still alive today in clubs and at festivals. Live blues music is offered on Tuesdays at LD's Kitchen and on various weekends at 10 South Rooftop Bar and Grill, The Big Muddy and Ameristar Casino's Bottleneck Blues Bar. Each venue has a superb dining menu as well for great dinner options. (3 hours)
